OFFICE OF THE MINISTER, FOR P. H. & EX. No. 2898 Date 28/2/49
--

Sir,

I herewith submit my application for the extension of service from 15th September 1949, which is the date of my retirement.

I served the Benign Government for the last 30 years, rising from the lowest rung of the ladder to Surgeoncy which is recently given to me. I served the Government without taking even Casual Leave, letting alone privilege leave or any other leave. My punctuality on duty has been well known and I have been in the Insurance Department working for the last one year without being late by a minute for a day. I worked in the Mysore Army for 7 years and was in Japanese front twice and I was a prisoner of War under Japanes for four years in Malaya. I have earned laurels from my officers commanding, one of which I herewith attach for your kind perusal. I was pronounced dead thrice in the War Field and returned Home by the Grace of Almighty three years' back.

I pray the Benign Government would kindly grant me one year's extension of service, as I am quite hale and healthy and to enjoy for a year the great boon of Surgency, the Great Government have granted me and for the great service I rendered in the Second World War.

For which act of kindness, I shall ever pray,

Bangalore

Dated the 18th February 1949.

Yours faithfully,

Ch. Parthasarathy
Insurance Medical Officer,
Mysore Govt. Insurance Department,
Bangalore.

Copy of the above is submitted to the Minister of Health, Mysore Government, Bangalore for for favourable and sympathetic consideration in advance.

To

The Senior Surgeon in Mysore,

Sub:- Promotion of Capt. C.Parthasarathy, Medical Officer,
Mysore Troops, Station Hospital, as Surgeon, Mysore
Medical Service.

Sir,

1. In forwarding herewith I have the honour to state that Captain C.Parthasarathy, happens to be the Senior most among the first Class Assistant Surgeons in Mysore (vide Civil List) and he has put in 28 years service so far (inclusive of 5 years field service in World War II).

2. He has worked under me for nearly 4 years past and has discharged his duties to my complete satisfaction. I therefore strongly recommend his case for promotion to the rank of Surgeon.

3. Since he has proved very useful to the Troops he may be seconded and kept on in this Department even after promotion to the Surgeon's cadre.
